1957 year book

Published by the Senior Class
of Jackson High School,
Jackson, Tennessee

FOREWORD

No one in Jackson High School should grieve over the closing of the Big Top Performance, for the Staff of 1957 are now presenting this publication—which is an original production of “The Story of the Golden Bear Brothers Circus.” We hope this spectacular history preserves in permanent form all the legend, lore, and activities that have evolved through the year on the hilltop at Jackson High.

Buster - you have really been
nice to me and I'm sorry if I told
you secret. you are a very sweet
boy. Best of luck.

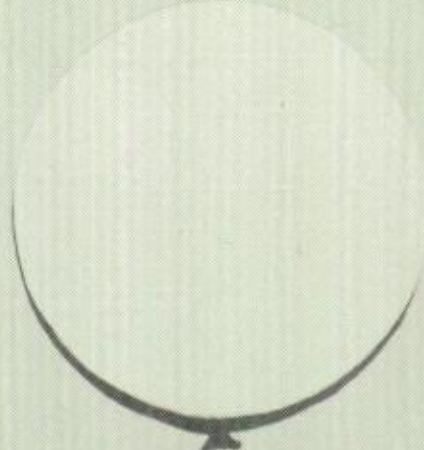

Love,
Linda G.

The Staff has worked hard to make this book as memorable as all the phases of life at Jackson High. We wish to thank the Student Body as well as all the merchants of Jackson for their support, for without it, the Staff could not have completed a successful year. . . . Realizing that the visions of today are the memories of tomorrow, we present this book with the hope that it will serve as a reminder of the glorious days that we have spent here.

JOHN PECHONICK

(GOLDEN) BEARS FINISH

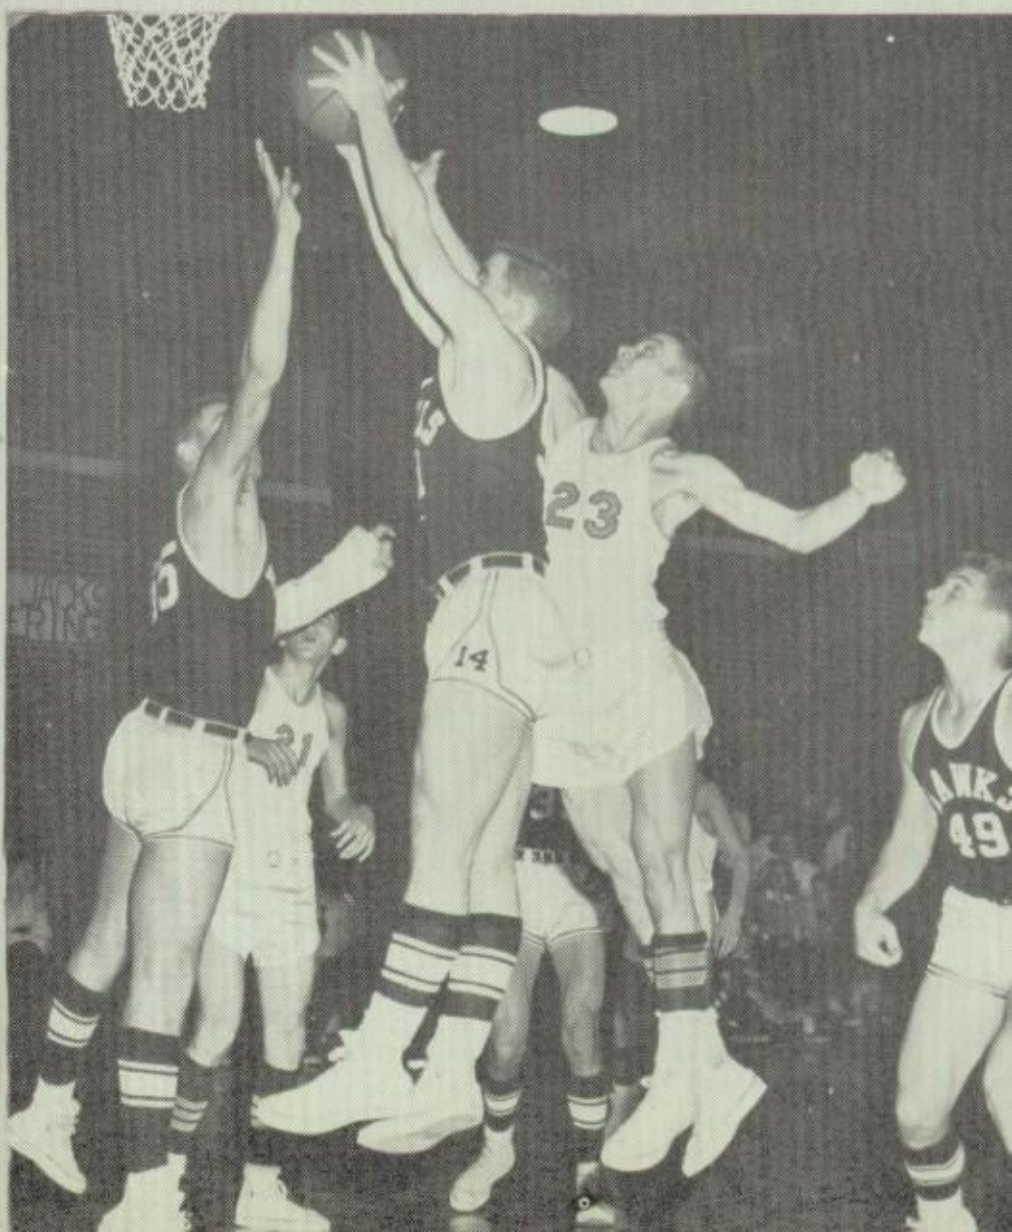

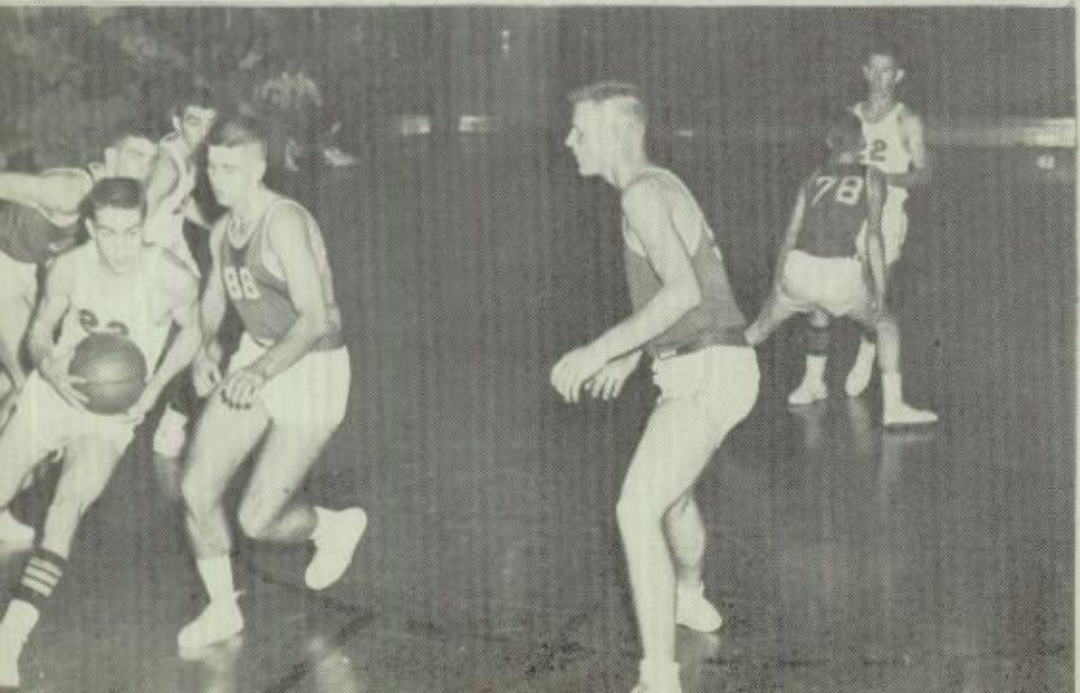

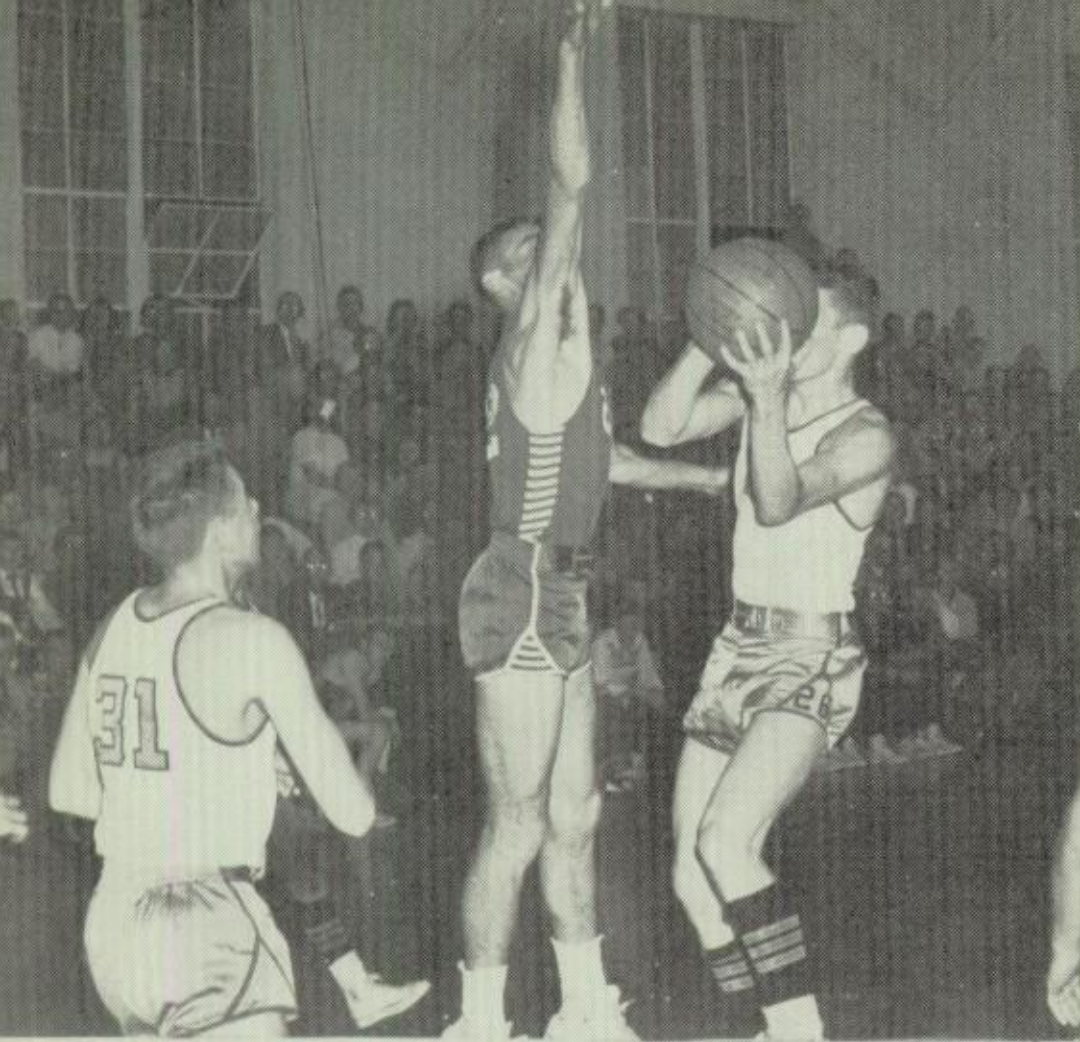

The 1956 football season brought some pleasant surprises to the coaching staff (and some that weren't so pleasant). The youthful Bears closed the season like a run-away horse. The Bruins, playing with five sophs and three juniors, to supplement the three starting seniors, met and downed their last three foes—Lexington, 12-7 . . . Brownsville, 27-19 . . . Somerville, 40-13. The Golden Bears also turned in their annual win over North Side, 27-13.

This grid term will be remembered for several outstanding events . . . P. V. Mount—All American . . . Bears join Big Twelve Conference . . . the daily toil on the practice field . . . After the season, Jackson received some valuable assistance as Andy Settles, line coach from Paris, and "Cotton" Clifford, Memphis Stater, inked their '57 J.H.S. contracts . . . big doings ahead.
